Experience

Mindware Technology
Front-End Developer
Feb. 2020 – May 2023, Lagos, Nigeria

- Consulted with customers to gather requirements and discuss design choices. Developed designs to meet specific requirements such as quick-loading sites with layouts.
- Designed, implemented, and monitored web pages, plugins, and functionality for continuous improvement.
- Completed full redesigns of existing websites to improve navigation, enhance visuals, and strengthen search engine rankings.
- Collaborate with designers and back-end developers to implement and improve features.
- Developed functional digital design concepts across web and mobile to strengthen company brand and identity.
- Designed, implemented and monitored web pages, plugins, apps and functionality for continuous improvement.
- Introduced to Typescripts & SASS through projects.
- Developed site content and graphics by coordinating copywriting, and designing images, icons, banners and enhancements.

Dots Content Distribution Ltd
Front-End Developer
Dec. 2017 – Jan. 2020, Lagos, Nigeria.

- Assisted Senior Front-End Developers in designing web applications and gained skills in aligning designs with client requirements. Gained experience in resolving conflicts with colleagues professionally.
- Learned to interact with clients, present designs and handle feedback on work. Helped senior workers in debugging their code to improve website performance and user experience.
- Extensive use of JavaScript & introduced to React through projects.
- Collaborated with web designers, backend developers and UX designers to design, build, test and improve web products.

- Developed code to convert design wireframes into website elements without supervision.
- Added to the company database of code by developing reusable code that could minimize the time needed to complete projects in the future.

Web Development Intern
Sporedust Content Distribution Ltd
Jan. 2017 – Dec. 2017, Lagos, Nigeria
